

Renters– You May Be Eligible For Help!

The Homelessness Prevention and Rapid Re-Housing Program (HPRP) was established under the American Recovery and Reinvestment Act of 2009 (ARRA).

The purpose of HPRP is to provide homelessness prevention assistance to households who would otherwise become homeless – many due to the economic crisis – and to provide assistance to rapidly re-house persons who are homeless. Funds will be utilized to assist persons who would be homeless, except for the assistance of HPRP, to be housed or re-housed.
